

Pupil Leadership Team

We want to further develop the role of The Pupil Leadership team as we believe they play a vital and special role in improving our school and making it the best it can be. Over the next 12 months – we want the Staff to look at how they can make the JLT roles more meaningful and effective. We want you to tell the staff how you think your roles could be improved.

Pastoral

Mrs Lilley wants to develop play at playtime. She wants to work with the JLT to come up with ideas as to how we can teach the younger children to play. She would like the older children to lead games on the playground.

Mrs Lilley is also working on behaviour for learning she wants to work with the JLT to help her develop ...resilient, motivated, independent and passionate learners in our school

Writing

We want to continue to focus on writing , developing inspirational writing lessons. Mrs Millward is going to buy 'Cracking writing.'

This will really help you become brilliant writers. It will provide high quality stories for you to read and then your teachers will help you use the authors ideas to develop your own writing.

"Passion for Learning....Passion for Life"
With God, all things are possible Matthew 19:26

Mental Maths

Mr Goostry wants all children to develop their understanding of the importance of mental calculations and making 'jottings'. This year he wants the JLT to work closely with him to develop mental maths games and come up with ideas as to how we can develop mental maths across the school. Mr Goostry also wants to see in every classroom the use practical resources to aid calculations and to support children that are visual learners.

STEM Challenges

Mrs Rund has worked hard on STEM challenges over the past year and she has got lots of wonderful ideas for the new school year. Mrs Rund wants to make sure that every term your teachers plan a maths and a science STEM challenge for you. She also wants to introduce STEM challenges into Kids Club and she plans to introduce a STEM Challenge day or week!

Literacy

Mrs Millward is so pleased with how much progress you all made with comprehension last year. She wants to continue with 'Cracking comprehension' as this really works. She also wants to focus on phonics and spellings. The JLT will be asked for their input and ideas as to how we improve spelling in our school. We also want to improve the range of vocabulary that we use in each class. Again the ideas of the JLT will be crucial with this. As always we want to promote a passion for reading – so make sure your teacher provides a lovely reading area in your classroom!
