

### Pupil Leadership Team

We want to continue to develop the role of The Pupil Leadership team as we believe they play a vital and special role in improving our school and making it the best it can be. Over the next 12 months the JLT will be working on developing the curriculum and developing vocabulary within the school.

### Pastoral

Mrs Lilley wants to develop play at playtime. She wants to work with the JLT to come up with ideas as to how we can teach the younger children to play. She would like the older children to lead games on the playground.

Mrs Lilley is also working on behaviour for learning she wants to work with the JLT to help her develop ...resilient, motivated, independent and passionate learners in our school

### Curriculum

#### Curriculum development

Ofsted have changed their guidelines and schools need to make changes to their curriculum.

Mrs Millward and Mrs Rund are going to be evaluating our curriculum. They are going to look at our curriculum and work with the Junior Leadership team to establish what works well and what areas need developing. They are going to continue to develop a bespoke curriculum that meets the needs of our children, including things like outdoor learning, musical theatre and STEM

## Singleton C of E Primary School School Improvement Plan 2019 -20 "Passion for Learning....Passion for Life"

### Numeracy

Mr. Goostry wants to focus on numeracy in the infant department. He wants to make sure that children have access to a range of resources to help them with calculations. Mr. Goostry wants to work closely with the staff to ensure that they are using the calculation policy and teaching the children a range of strategies to aid their calculations. He wants to make sure that children in our school leave the infant department with a deep understanding of number and the number system.

### STEM Challenges

Mrs Rund has worked hard on STEM challenges over the past year and she has got lots of wonderful ideas for the new school year. Mrs Rund wants to make sure that every term your teachers plan a maths and a science STEM challenge for you. This year she plans to introduce a STEM Challenge Week where children can achieve a Crest STEM Challenge award!

### Literacy

Mrs Millward is so pleased with how much progress you all made with comprehension last year. She wants to now focus on developing 'Vocabulary.' Research shows that children with more developed vocabulary have better life chances. Mrs Millward wants to give all pupils the best chances possible to be the best that they can be.
