Dear Parents - Permission Form for the Provision of Care

Singleton School has an Intimate Care Policy, detailing policies and procedures for managing intimate changing and cleaning of children, which is available from the school office or on the website.

If a child wets or soils themselves whilst they are at school, it is important that measures are taken to have them changed (and if necessary cleaned) as quickly as possible. Staff are experienced in carrying out this task if you wish them to do so. Or if preferred, the school can contact you or your emergency contact who will be asked to attend without delay.

Please fill out the permission slip below stating your preference for your child. Please note that this will apply during your child's time at school, unless the policy is reviewed.

Yours sincerely,

Amanda Clayton

I give consent for my child to be changed and cleaned by school staff if they wet/soil themselves and if they are unable change themselves independently whilst in the care of Singleton School.

I do not give consent for my child to be changed and cleaned if they wet/soil themselves. The school will contact me or my emergency contact and I will organise for my child to be changed and cleaned. I understand that in the event I (or the emergency contact) cannot be contacted, the staff will act appropriately and may need to come into some level of physical contact in order to aid the child.
