

Hi Young Leaders!

I'm going to share some ideas and activities to help you explore and practice putting your kindness, perseverance and teamwork into **action** at home.

Exploring...

Action

With Gracie

Great leaders take action and do things to help others.

Remember small steps can make **BIG changes!**

Think about

- Who do you know that might need some help or support?
- What practical things could you do to make a difference to people at the moment?
- What do you think people need at the moment?

There are lots of things you can do while staying safe and avoiding contact with others as much as possible.

Lots of people in our streets and communities may need support at the moment.

Write or draw your ideas to take action to help others here:

Action

People who help us

There are lots of people that work hard to look after our community and the people who live in it. These people have very important jobs to do to protect us and help us at the moment.

- Can you think of any people who are helping your community right now?
- You might think of doctors, nurses, supermarket staff or teachers.

Draw them here:

A Big Thank You

Make thank you cards and write a message inside to thank some of the people who are working extra hard to keep us all safe.

Send or deliver your cards safely.

You could even make or buy a small gift to brighten their day.
