

Exploring...

Teamwork

With Gracie

Hi Young Leaders.

I'm going to share some ideas and activities to help you explore and practice **teamwork** at home.

Think of your family as your teammates!

Remember small steps can make **BIG changes!**

Working together and helping each other out are so important.

Think about:

What makes a good teammate?

Why is better to work together with others than on your own?

Draw your family teammates here:

Team Jobs

What jobs or tasks need to happen in your house each day?

This could be things like making snacks, putting laundry away or looking after pets.

Which of them could you or your brothers and sisters help with?

Make a list here by drawing or writing the jobs:

Choose a job for each member of your family.
Use these templates to make team badges for everyone in your family showing their job for the day.
You could change the jobs each day or each week.

Team Play

Lead your brothers, sisters or other family members in an activity:

- Complete a jigsaw together
- Use blocks or lego to create something amazing
- Create a big picture or make a craft together
- Play a game
- Make up your own game
- Create an obstacle course in your garden

Make sure you work well together, listen to everyone's ideas and have fun!
